

Proposed Agency Request Legislation – 2005 Session

BRIEFING PAPER

Prepared for the
August 2004 TRANSPORTATION COMMISSION MEETING

Prepared by: Don Griffith, Governmental Liaison Office

Approved by: Paula Hammond, Chief of Staff

PURPOSE:

To obtain the Transportation Commission's approval of the Department's Agency Request recommendations for the 2005 Session.

ACTION/OUTCOME:

That the Transportation Commission review and approve the Department's Agency Request recommendations for the 2005 Legislative Session.

BACKGROUND:

State law requires that the Commission review and approve all Departmental requests for legislation. In addition, the Governor's Office has a review process for the development and introduction of agency request legislation.

DISCUSSION:

Prior to each legislative session, Department staff makes suggestions for essential or highly desirable changes in law that would contribute to better operation of the Department. The Commission received an informational briefing on those recommendations during their July meeting.

RECOMMENDATION AND MOTION:

We recommend that the Transportation Commission move to approve the Department's Agency Request Legislation for the 2005 Session.
